# CANNABIS FACTS

## DON'T DRIVE HIGH

### How soon can I drive after consuming cannabis?

Cannabis varies in potency and affects everyone differently. If you consume cannabis, don't drive. It's dangerous and is a serious criminal offence.

### What is a safe amount of cannabis for drivers to have in their system?

Having any amount of cannabis in your system while driving can be dangerous and can lead to an impaired driving charge. Under Ontario's "zero tolerance" law, novice, young (under 22) and commercial drivers can have no presence of drugs or alcohol in their system while driving (medical exemptions may apply).

### How would police even know if a driver only has small amount of cannabis in their system?

The police have effective tools for detecting drugs in drivers. Consuming even a small amount of cannabis can

result in drivers performing poorly on a Standardized Field Sobriety Test or in an evaluation by a Drug Recognition Expert. Police also have drug screening equipment and can demand an oral fluid sample.

### What are the penalties for drug-impaired driving?

No matter your age or licence class, if you are convicted criminally of impaired driving (by drugs/alcohol), you can face a number of penalties which include fines, a 1-year licence suspension and even jail time.

### Can I transport cannabis in my vehicle?

Yes, but the cannabis must be in its original package that has not been opened, or it can be packaged in baggage that is fastened closed or is not otherwise readily available to any person in the vehicle.

# THE BIG FOUR TRAFFIC COMPLAINTS

## SEAT BELTS

Buckling up takes a few seconds. Losing an unbuckled loved one in a crash lasts forever. Wear your seat belt.

## SPEEDING

No one wants to share the road with a speeding driver. Many of them who have, lost their lives through no fault of their own.

## DISTRACTED DRIVING

Texting while driving is just plain dumb and downright dangerous. If you're texting behind the wheel, who's driving?

## IMPAIRED DRIVING

Thinking of driving under the influence of alcohol or drugs? Let someone sober do the thinking and driving for you.

**SAFER ROADS ARE IN YOUR HANDS.**

Be an extra set of eyes  
for the police

**WE NEED  
YOUR HELP.**
